Dear customers,

ATI Industrial Automation/Novanta is a leading supplier of robotic tool changers, deburring tools and collision sensors. We have a long relationship with the German company Schunk GmbH, and because of our agreement with Schunk we are able to sell and support our products through SCHUNK Intec Pte. Ltd.

Schunk Intec Pte. Ltd. is our distributor for South East Asia.

We thank you for your support of our products and we look forward to future business.
